MIKE WEAVER
COMMISSIONER OF INSURANCE

December 12, 1988

Honorable Guy Hunt
Governor of Alabama
State House
Montgomery, Alabama 36130

Dear Governor Hunt:

On behalf of the Department of Insurance, it is my privilege to present to you our Annual Report for 1987.

As required by Section 27-2-9, Code of Alabama 1975, pertinent data on all insurance companies authorized to transact business under the regulatory authority of the Alabama Department of Insurance is duly documented.

The statistical data used in the financial section of this report comes directly from Annual Statements filed by the various companies, without audit or verification.

The "Summary of Operations" section outlines some of the important activities performed by this Department in 1987.

Respectfully submitted,

Mike Weaver
Mike Weaver
Commissioner

Summary of Operations

The insurance business in Alabama increased in Alabama during 1987 with Alabamian's paying $5,237,605,372 in premiums for all types of insurance, an increase of approximately 3.0%. The 1987 growth rate may be compared to 16.6% in 1986, 12.9% in 1985, 13.2% in 1984, 6.3% in 1983, 10.3% in 1982, 4.1% in 1981 and 7.6% in 1980.

Premiums collected by property and casualty companies decreased by 3.8% to $2,167,537,000 from the previous year, and the direct premium and annuity consideration for all life companies increased by 4.7% to $1,310,434,000. Accident and health premiums totaled $1,726,806,564, an increase of 11.4%. Title insurance premiums totaled $17,425,121.

In 1987, the insurance industry paid to the Department $125,000,164 in premium taxes and fees. Of this amount, $97.2 million was deposited to the General Fund, and $28 million to the Special Education Trust Fund.

Statistical data covering insurance premiums and losses are for calendar year 1987 and are compiled from data furnished by the Central Office of the National Association of Insurance Commissioners. Information regarding premium taxes and fees collected by the Department and Departmental disbursements is for the calendar year October 1, 1986 - September 30, 1987.

The Insurance Department consists of six operational divisions: Agents' Licensing and testing, Consumer Services, Insurance, Receivership, Legal and Financial Examination. Also a part of the Insurance Department is the State Fire Marshal's office. The Commissioner of Insurance is an ex-officio member of both the Alabama Securities Commission and the Alabama Arson Prevention Tax Force.

Alabama's insurance laws require that all contracts of insurance, other than uncontrolled marine and aviation policies, be approved by the Department prior to their use in this state. A consulting actuarial firm is employed to review all life, accident and health policy forms. Any variance from required provisions of the Code or Departmental Regulations must be corrected prior to their acceptance.

There is no price regulation over life, accident and health insurance, except for certain Blue Cross - Blue Shield policies and Medicare supplement policies. Most property and liability rates are subject to the Department's approval. Services of consulting actuaries are obtained, when needed, to assist the staff in the evaluation of those rate filings requiring regulatory approval.

Re: Annual Report
State Fire Marshal's Office
for the year of 1987

Dear Mr. Greeno:

In accordance with Section 36-29-26, Code of Alabama, 1975, the annual report of the State Fire Marshal is respectfully submitted for your information and approval.

In 1987, there were one hundred seventy-five (175) fire fatalities in the state. This is an increase of thirty-eight (38) fire fatalities over 1986. The causes for forty-nine (49) fire fatalities were undetermined or were not reported to this office. The cause of thirteen (13) fire fatality fires were undetermined after investigation, but these fires were not suspected as being arson.

During the year of 1987, one hundred sixty-four (164) defendants were brought to trial or other action was taken against them in regards to arson or other offenses which were pending at the beginning of 1987. Disposition of those cases are set out in the statistical section of this report.

During the year of 1987, personnel of this office conducted seven hundred and ten (710) investigations which resulted in action being initiated against one hundred twenty-nine (129) defendants for arson and/or other offenses. The disposition and status of those investigations are set out in the statistical section of this report.

There were five hundred fifty-two (552) inspections conducted in response to requests received from the Department of Human Resources, Department of Mental Health and others. In addition, fifty (50) inspections were conducted of county jails and forty-seven (47) inspections of city jails. Three (3) juvenile detention centers were also inspected.

The Fire Marshal's Office reviewed ninety (90) sets of plans for the construction of day care centers, restaurants, shopping centers and other buildings. Approval was granted on thirteen (13) sets of plans and recommendations were submitted on sixty (60) sets of plans. This office also reviewed seven (7) sets of plans for jail facilities, approving three (3) and making recommendations on four (4). Plans were also reviewed on two (2) work release centers, and both were approved.

During 1987, this office issued 1,420 fireworks permits. Due to changes in the fireworks law, we were required to make inspections on nine hundred and six (906) of those fireworks facilities. As a result of the enforcement of the fireworks law, we received $59,947.00.

This office issued one hundred and twenty-five (125) sprinkler contractor permits during the year of 1987 and collected $12,500.00 in fees.

I respectfully call to your attention that the workload of this division has steadily increased to the point that in almost every territory, the deputy fire marshal is completely overburdened with assignments. It is especially hard for the deputies to conduct inquiries properly due to the number of requests and the size of their territory. This problem continues to be magnified two times each year by the large number of fireworks inspections that the deputies are required to conduct. During these two extremely heavy times, being two weeks before the 4th of July and two weeks prior to Christmas, the Deputy State Fire Marshal's are not able to respond to any investigative request other than fire fatalities, extremely large losses, and other emergencies.

Mr. Henry L. Davis, Deputy State Fire Marshal retired effective December 31, 1987. His retirement places eight (8) additional counties upon Assistant State Fire Marshal John S. Robison and Michael D. Haynes, Deputy State Fire Marshal, who was hired on January 12, 1987. This places the responsibility of conducting investigations and conducting inspections upon these two (2) employees in twenty (20) counties across the central part of Alabama. In addition to this excessive workload, Mr. Robison performs the activities of my assistant and Mr. Haynes conducts plan reviews.

Mr. Richard Montgomery, Deputy State Fire Marshal, stationed at Jasper, Alabama is working Walker, Jefferson, Blount, Cullman, Winston and Marion counties. Richard Montgomery received requests for, or was assigned ninety-eight (98) investigations for the year 1987. If he had nothing more to do than to conduct this number of investigations in a year, he would be completely over loaded with work. From April through June, he was required to conduct seventy-two (72) inspections of fireworks locations.

In addition, he constantly receives requests to conduct inspections of day care centers, day care homes, boarding homes, county jails, city jails, and other type buildings. The workload of this Deputy State Fire Marshal is somewhat heavier than the typical load of some of the other deputies. This does not mean to imply that other Deputy State Fire Marshals do not carry a back load of assigned cases, as they are all unable to properly complete assignments due to the extremely heavy workload. This does point to a necessity for one additional Deputy State Fire Marshal to be stationed in the Jefferson County area to reduce the extremely heavy workload in the areas surrounding Birmingham, and especially those areas outside of the incorporated limits of any city or town.

I am extremely proud of the work performance by employees in this division, both office personnel and Deputy State Fire Marshal's in the field. Each of these employees are dedicated, do not hesitate to take on additional work and are a credit to their profession and to the state of Alabama.

I would like to take this opportunity to express to you my appreciation for your support of the Fire Marshal's Office and your efforts to secure needed equipment both in the office and for the men in the field.

Please be assured of my desire to cooperate with you in all matters of mutual interest.

Sincerely,

Roy L. Thornell
